

'Quantum-likeness' in economics and finance

Emmanuel Haven

School of Management + Institute of Finance

University of Leicester - UK

Talk given at the Institute of Mathematical Behavioral Sciences

University of California – Irvine - USA

February 23 2013

You are most welcome to present papers at the following conference:

"Quantum Interaction 2013"
International Workshop 'Quantum Interaction 2013'

Dates: 25th - 27th July 2013

Place: University of Leicester, Main Campus - Leicester, Leicestershire, UK.

<http://www.physics.le.ac.uk/qi2013/>

Confirmed Keynote Speakers

Professor Edward Nelson
Department of Mathematics
Princeton University - USA
"Stochastic mechanics of particles and fields"

Professor Samson Abramsky
Christopher Strachey Professor of Computing
Oxford University - UK

Professor Serge Galam
Ecole Polytechnique/CNRS - France

Quantum Social Science

Emmanuel Haven and
Andrei Khrennikov

$\forall w \in A \subseteq S : L$
 $S : L(w) \succ K \approx L$
 $\forall w \in A \subseteq S : L(w)$
 $S : L(w) \succ K \Rightarrow L$

CAMBRIDGE
